

ROCC Committee Report

Committee: Land Use	Date: 9/16/2021
Topic: Ouray County Regional Recreation Planning Project	
Background (bullet points):	
<ul style="list-style-type: none">▪ Ouray County obtained a grant to study recreation-related issues▪ Intended to be a collaborative effort with participation from other agencies and diverse regional interests and organizations▪ Scope will include high country and river-related recreation, camping, trails, etc.	
Issues (bullet points):	
<ul style="list-style-type: none">▪ Should ROCC participate in the planning effort?▪ If so, should a new separate Recreation Committee be formed since the scope of the study will be broad and encompass public lands, land use, social justice and other issues?	
Possible Action Options (bullet points):	
<ul style="list-style-type: none">▪ Proactively become engaged as a group participating in the project by forming a Recreation Committee and reaching out to the County	
Recommended Action (in the form of a motion if necessary):	
Motion: I move that ROCC form a Recreation Committee to participate in Ouray County's recreation planning effort.
