

ROCC Membership Committee Report for Member Mtg, 3-17-2022

Motto: Membership is every member's business and responsibility

February, 2021 Numbers: 101 memberships; 166 members

February, 2022 Numbers: 98 memberships; 165 members

The above is the comparison after the second renewal letter was sent out in March showing a slight in our numbers. A reminder renewal letter was sent out in early March to both graced and lapsed members and the additional members to date have been added.

Committee will join forces with the Not Spaghetti Dinner Committee (NSD) to help advertise this event and to acquire new members. From a voter registration list, the membership committee will cull names of non-members who will each receive an invitation to join ROCC, a brochure, a return envelope, and an invitation link to attend the NSD in June. This would be sent out towards the end of April.

We would invite any current ROCC members to contribute names of any new residents to the county to whom an invitation could be sent. Please send to Austin Ray: ROCCNet.org@gmail.com
