

ROCC Committee Report

Committee: ROCC Talks – Kate Kellogg	Date: 9/17/23
Topic: Prof. Jason LaBelle’s ROCC Talk postponed and Request for ROCC Talk Co-chair	
Background (bullet points):	
Prof. LaBelle, CSU, had agreed to present a ROCC Talk in mid-September, 2023 on archaeological findings relating to 10,000 years of Native American’s life in the Colorado Mountains	
Issues (bullet points):	
<ul style="list-style-type: none">• Prof. LaBelle told me in late August that he was only available to travel here Sept. 15 or 16 and no venues (Sherbino, 4-H Center and Town Hall) were available then. He asked if he could postpone the talk to winter/spring of 2024 when he’s not as busy doing field work with students. I told him that would be a possibility.• I request a ROCC member to serve as co-chair of the ROCC Talk Committee. Due to some other commitments, I must resign as ROCC Talk chair unless we get a co-chair.	
Possible Action Options (bullet points):
